FES - Klabb 3-16 Playworker

26/05/2025 – 07/07/2025

- Ensuring that the programme of activities delivered is interesting, valuable and appropriate to the children using the facilities. The playworker needs to provide a variety of play and learning opportunities, while identifying and accommodating changing needs.
- Ensuring the safety and well-being of programme users through checking equipment, undertaking first line child protection measures and organising activities appropriate to the users at any given time.
- Providing a positive model of behaviour, by being well acquainted with FES policies & procedures and ensuring that such policies are being followed.
- Ensuring that parents, carers and other visitors are made to feel welcome on visiting the Centre. Any information requested by parents, carers or guardians are to be directed to the centre coordinator. At no point are play workers to discuss matters with parents, carers and guardians.
- Maximising the learning value of the activities through planning, evaluation and self-reflection. Keeping in mind that some children may require special attention and/or will have come from various cultural and religious backgrounds.
- Lead groups of children in various activities, such as physical games, arts and crafts, creative play, games and other learning activities. Manage behaviours and adapt the activity to meet the needs of groups or individuals. Following planning, resources are to be prepared prior to the activity.
- Support children on a reduced ratio, ensuring that they are included in activities being conducted and/or planning activities that support the child's learning.
- Contributing to the accountability of the centre through assisting in the maintenance of agreed records including registers, serious injury reports, incident reports, guardian consent forms and collecting of money including issuing of receipts.
